TO THE PRODUCT

2-way front system for factory installation locations

## 2-way cab system

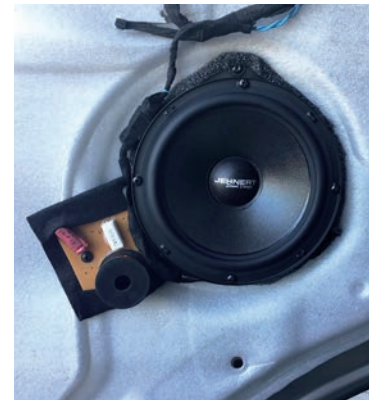

High-quality speakers and the vehicle-optimized tuning of the crossovers guarantee excellent music reproduction. Two 26 mm neodymium tweeters on the dashboard dashboard provide a very clear and detailed sound stage in direct listening position. In the vehicle doors, two powerful 165 mm JEHNERT power woofers produce a powerful low frequency range for an impressive sound presentation. The woofers are installed directly in the factory installation openings with a precisely fitting mounting adapter - mounting adapter included.

### Speaker placement:

2x 165 mm JEHNERT Power Woofer »XM165«  
2x 26 mm neodymium soft dome tweeter »XE26A«  
JEHNERT crossovers, vehicle specific calibrated

# Iveco Daily III

from YOM 2014

TO THE PRODUCT

**Daily III, from year 2006**  
woofer module door panel

## 2-way cab system

The 2-way cab systems offer the highest quality for a perfect sound improvement over the factory speakers in the dashboard. Custom-made speaker mounts are used to accommodate a powerful 165 mm JEHNERT power woofer in the door panel. To achieve an acoustically spatial sound image, two high-quality 26 mm soft dome neodymium tweeters are integrated in the inner window spar of the vehicle doors. The vehicle-acoustic tuning of the crossovers gives the cab system its individual sound character for optimum listening pleasure.

### Loudspeaker equipment:

2x 165 mm JEHNERT Power Woofer »XM165«  
2x 26 mm neodymium softdome tweeter »XE26A«  
JEHNERT crossovers, vehicle specific calibrated
